

PRODUCT INFORMATION

CADAOIL TITAN UHPD 10W-40

UHPD motor oil for extra long drain intervals

Cadaoil Titan UHPD 10W-40 is a fully synthetic motor oil meeting the latest UHPD (Ultra High Performance Diesel) requirements. This oil provides an excellent protection against 'bore polishing' and has a superior oxidation and high temperature stability.

Cadaoil Titan UHPD 10W-40 is a fuel economy oil and suitable for heavily loaded diesel engines in commercial vehicles, buses and industrial vehicles. Because of the special additive technology, both the oil and the engine are kept clean in an unprecedentedly way.

Cadaoil Titan UHPD 10W-40 is a so called 'long drain' oil and therefore suitable for prolonged drain intervals, if allowed by the OEM and depending on working conditions and filtration methods, so it reduces maintenance costs

Colour	Brown	
Density at 20°C	0.8604 kg/l	ASTM D 1298
Viscosity, kinematic at 40°C	91.1 cSt	ASTM D 445
Viscosity, kinematic at 100°C	14.3 cSt	ASTM D 445
Viscosity Index	163	ASTM D 2270
Viscosity, dynamic (CCS)	5380 cP	ASTM D 2602
Base number	12.7 mg KOH/g	ASTM D 2896
Sulphated ash	1.5 wt%	ASTM D 874
Flash point	220 °C	ASTM D 93
Pour point	-36 °C	ASTM D 97

This sheet contains recommendations or suggestions on properties and possible applications of Cadaoil products. Because of continuous product research and development, the information in this document can be changed at all times, without foregoing notice. The analytical information in this document consists of typical incorrectness of the text. The reader is advised to make the final product choice in dialogue with the supplier.
